MARCY COPPERNOLL NAMED 2008 OUTSTANDING HEALTH EDUCATOR

MILWAUKEE, WI — July 14, 2008 — Marcy Coppernoll, RN, Curriculum Director at Hult Health Education Center of Peoria, Illinois was named Outstanding Health Educator by the National Association of Health Education Centers. The announcement, made at a national health education conference in Cincinnati, OH, was made by Hult Health Education Center Executive Director, Joe Knapp.

Marcy, who has a Bachelor of Science in Nursing from Milliken University and Master of Science in Health Education from Illinois State University, has been dedicated to improving children's lives through health education for 36 years. As Curriculum Director for the Hult Health Education Center, she has developed and integrated new technologies and teaching methods across the curriculum. In addition to her daily responsibilities for Hult Center, Marcy has willingly shared her expertise and passion for health education by serving on committees and projects at the local, state and national level. Marcy is a dynamic instructor helping children understand and relate health information to their lives. She is loved by students and respected by teachers and parents.

About the National Association of Health Education Centers (NAHEC)

Established in 1989, the National Association of Health Education Centers (NAHEC) is a non-profit organization dedicated to supporting and promoting a national network of organizations that provide health education programs. Through this network, over 3.7 million children and adults receive health education that empowers them to actively participate in creating healthier communities.

NAHEC Members are organizations providing up-to-date, effective and sustainable health education programs. Our mission is to make health education broadly accessible, up-to-date, effective, and sustainable. Our vision is to empower children and adults to actively participate in creating healthier communities.
